SELECTION CRITERIA

The Alumni Scholarship offers our graduates the opportunity to undertake further study at a higher level or within a different discipline area.

1. Applicants must have completed all of the requirements of an accredited qualification at a Laureate International Universities university or college.
 - a. Applicants may apply for the Alumni Scholarship once they have received their final grades.
 - b. The Scholarship is not available to students moving between programs prior to completing their qualification.
 - c. The Scholarship is not available to pathway students who are moving from one accredited program to another with advanced standing of 4 subjects or more.
2. Applicants must have applied for entry to an accredited coursework program at a Laureate Australia provider.
 - a. Applicants must meet all entry criteria for the program they are entering.
 - b. In addition applicants must have completed an application for their preferred program.

TERMS AND CONDITIONS

1. Successful applicants will be granted the Scholarship for the duration of their program enrolment, including any approved leave of absence.
 - a. Deferral or withdrawal of studies will result in forfeit of the remainder of the scholarship (or the entire scholarship if the studies have not yet commenced).
 - b. Tuition fees for repeating a failed subject will be the responsibility of the student and will not be covered by the Alumni Scholarship.
2. Students can only hold one scholarship at a time for the duration of their program enrolment – if successful at applying for more than one scholarship, only the scholarship with the highest tuition value will be awarded.
3. Scholarships are available for new applicants to an eligible program only.
 - a. Existing students (with enrolment in at least one subject in the program) are not eligible to apply.
 - b. The program must be an accredited coursework program - research degrees are not eligible for an Alumni Scholarship.
4. International and domestic students are eligible for the Alumni Scholarship.
5. The 2016 Alumni Scholarship will result in
 - a. 50% tuition fee scholarship for Torrens University undergraduate degrees.
 - b. 25% tuition fee scholarship for Torrens University postgraduate degrees.
 - c. 25% tuition fee scholarship for all accredited programs at a THINK College.
6. In accepting the scholarship the recipient agrees to take part in marketing activities and events, to contribute to the college's social media channels and to provide testimonials as required.
7. The Alumni Scholarship is non-transferable, and cannot be redeemed for any other prize, gift or benefit.
8. Recipient must comply with the Institution's policies and procedures at all times. The Alumni Scholarship may be terminated if the recipient is found to be in breach of the Student Conduct Policy.
